

SAKTHI MAYANDI

QA/QC INSPECTOR

Email ID: sakthimayandi21@gmail.com

Mobile: +91 8220623032 & +971 564947416

ACADEMIC QUALIFICATION:

- **Diploma in Mechanical Engineering**

TECHNICAL QUALIFICATION:

- Certified Welding Inspector
CSWIP 3.1
Certificate No : 650970
Expiry date : 3 JULY 2030
- Certified BINDT PCN Level II
Certificate No : 345575
 1. Ultrasonic Testing 3.1&3.2
Expiry date : DEC 2026
 2. Magnetic Particles Testing
Expiry date : APR 2029
- Certified ASNT Level II
 1. Ultrasonic Testing
 2. Radiographic Testing
 3. Magnetic Particle Testing
 4. Liquid Penetrant Testing
 5. Visual Inspection

RESPONSIBILITIES:

- Witness of welder qualification test (WQT) and procedure qualification test Visual Inspection of all types of weld joints.
- Review of received filler and consumable Test Certificate (TC).
- Inspection of Piping Construction Materials & Verification Material Test Certificate as per the project specification.
- Monitoring of consumable storage, handling, packing and drying temperature as per project approved procedure.
- Verifying that the joint geometry meets the requirements of the welding procedure and drawings.
- Supervision and inspection of welding, pre heat, and post weld heat treatment (PWHT) and NDT requirements.

- Visual inspection on completed weldments & record works carried out verify compliance with specific codes, standards and approved complete documentation.
- Implementing welding procedures as specified and qualified and ensuring that Welding is performed as per applicable procedure.
- Responsible for overall piping and welding inspection of fabrication and erection work Regular monitoring and reviewing of calibrated equipment and test instruments and maintaining records.
- Performing stage wise fit up visual inspection and survey on pipe supports.
- Carry out visual and dimensional checks of piping spools, Equipment, Skid and Structures as per approved drawings.
- Ensure internal cleaning has been done before spools installed.
- To monitor Welder performance in the welding.
- Monitoring the electrodes and filler are in the particular ovens and packing.
- Ensured appropriate equipment, tools and conditions for each welding.
- Conduct toolbox talk to welders about welding, preheat, post weld heat treatment.
- Verify weld joints as per latest revision of isometric.
- Preparation of the relevant documents by proper inspection, verification, reviewing and compiling as per client's requirements for final submission to the client for their review, approval, and certification of the job completion in all aspects.
- If there are any Quality related problems, immediately inform to QC Manager.
- Responsible to make quality control awareness to the people in his assigned area.
- Hydro test and final documentation review. Welding is performed as per applicable procedure.

EXPERIENCE SUMMARY:

6+ years overall experience at Plant piping, Spool fabrication & Erection, pressure vessels, Skid packages, Pipe Rack modules (PAR) & Heavy steel structure including 6 years in QA/QC and NDT activities. Visual Inspection of welds Inspection and testing plan, Quality control procedure for Fabrication, Welding, NDT including Test packs and Standards. Knowledge in all Codes and Standards of (ASME SECTION -II Part-A, B,C, SECTION- V, SECTION-VIII DIVISION- I & II, SECTION- IX, ASME B 31.3, ASME B31.1, ASTM, ANSI, AWS D1.1) having good practical and theoretical knowledge in evaluating procedures, studying the requirements and executing the jobs. Familiar with various welding processes. Capable of supervising and monitoring.

- **Career Profile 1** : **May 2024 to Till date**

ORGANIZATION : **International Inspection Services (INTERTEK)**

POSITION : **QA/QC Welding Inspector**

CONTRACTOR : **NMDC ENERGY (Formerly NPCC)
(National Petroleum Construction Company)**

CLIENT : ADNOC

LOCATION : ABUDHABI, UAE

PROJECTS INVOLVED : 1) EPC Works For Lower Zakum Habshan Upper Recovery and Lekhwair +20MBD Project.

• **Career Profile 2** : **Feb 2022 to Mar 2024**

Organization : Dunes Oman LLC
POSITION : QA/QC Inspector
Location : Salalah, Oman

• **Career Profile 3** : **Dec 2020 To Jan 2022**

Organization : Industrial X-Ray & Allied Radiographers
Pvt.Ltd, Mumbai
POSITION : QA/QC WELDING INSPECTOR
Contractor : JSIW INFRASTRUCTURE LTD
RELIANCE REFINERY
Location : Jamui, Bihar

• **Career Profile 4** : **June 2018 To Nov 2020**

Organization : KTS Quality Systems
POSITION : QA/QC Welding Inspector
Location : Arasur Foundry Cluster, Coimbatore, Tamil Nadu

PASSPORT DETAILS:

Passport No : S1984018
Issue Date : 11/06/2018
Date of Expiry : 10/06/2028
Place of Issue : Madurai

PERSONAL DETAILS

Name : Sakthi M
Father Name : Mayandi V
Date of Birth : 21/06/2000
Gender : Male

Marital Status : Single
Nationality : Indian
Languages : Hindi, English & Tamil
Address : 14/44, Nadar Street, Thattankulam,
Sundarapandiapuram (Po),
Tenkasi (Dt),
Pin code - 627858

DECLARATION:

I declare that the information and facts stated above are true and correct to the best of my knowledge and belief.
